Our New Colleague?

To support our growth we are looking for Sr. Consultants, as well as Interim Managers in Procurement & Supply Chain. Are you open-minded, passionate & result-driven? Do you have at least 10 years of experience in Supply Chain or Procurement, preferably in an international environment, and do you like to work for different companies, within a diversity of industries? Don't hesitate to send us your resume: Stef.Brismoutier@progressio.be.

Recruitment, Selection & Headhunting

Today's workplace demands definitely specialist skills. Our focus on Procurement, Logistics & Supply Chain gives us access to a large pool of candidates with in-demand skills and relevant qualifications and/or experience. We reach out to a large network in Procurement, Logistics & Supply Chain, which results in faster and more apt matches for candidates as well as employers.

In our quest for talent, we welcome in our Recruitment Team [Annemie Schuermans](#) and [Ingrid Verhoeks](#). Annemie & Ingrid bring besides a nice track record in recruitment, also a strong experience in Logistics as well as Public Procurement! We thank Mie Lanslots for her everlasting commitment over the last years in Recruitment and wish her all the best with her new challenges!

We helped a lot of [companies](#) in their search for Procurement, Logistics & Supply Chain talent. For current vacancies at our clients, we are more than happy refer to [our website](#). You want to know more on Recruitment & Selection? Contact Annemie.Schuermans@progressio.be or call Annemie on +32 471 42 63 23.

For those who are looking for a new challenge, we are glad to highlight that working together with a specialised agency provides the benefit of having access to jobs that other job seekers often cannot see (yet). Through many years of partnership with our clients, we are often the first to hear about profiles that are needed.

GDPR

PROGRESSIO prioritizes the protection of private data and therefore conforms to the obligations of the GDPR Regulation. **PROGRESSIO** stores as little private data as possible. Today, we keep track of information provided to us by interested parties, via websites, personal contact or by using our services. E-mail addresses are only used to distribute twice a year information relating to **PROGRESSIO** and its services and shall not be shared with third parties.
